By signing this agreement, I (we) understand and agree that the timely payment of tuition and all other current obligations pursuant to the schedule of payments is important to the operation of the school and Temple. I (We) understand that all statement balances are due the first of each month, beginning Aug 1st through May 1st. I (We) agree that in the event I (we) fail to make a tuition payment and to satisfy all other obligations due the Temple and/or School, as stated herein and on my monthly invoices, and the payment is not received on or before the 10th of each month, beginning August 1 through May 1, 2027, my (our) credit/charge card for which I (we) have a signed authorization form, shall be charged in the amount of the payment due (plus a 3% processing fee) as noted on the statement, utilizing the "full" tuition rate (that is to say, not the discounted rate for checks or cash). The credit card charge shall be processed by Broward Central Synagogue without additional notification. I (We) understand that once the credit card is charged, the charges against it will not be reversed.

All students are enrolled for the entire year unless it is expressly agreed to the contrary. Should the application be withdrawn before April 1, 2026, the registration fee will be retained by the school, but there is no obligation to pay other sums. By signing this application, I (we) agree to pay the full year's tuition and fees. I (We) agree that no reduction of my (our) obligation to pay the full year's tuition and fees can be otherwise made for absence, voluntary withdrawal, or expulsion. Students will not be allowed to continue to attend classes unless tuition is paid by the stated deadlines. The school has the right to terminate the attendance of any student for any reason whatsoever, if such determination is deemed by the school administration to be in the best interest of the school or due to your failure to pay part or all of your financial obligations to the school. **No changes to this agreement shall be effective unless pursuant to a written and signed agreement.** All deposits and application/registration fees are governed by the policies listed below:

Students are placed in a specific class based upon many variables. Most importantly, the goal is to provide the best educational environment for each and every child entrusted to our care. The following factors are considered: date of registration, birth dates, boy/girl ratio, specific dismissal times, Temple membership, and if applicable, behaviors of children and input from previous year's teachers. We want to assure you that every possible effort will be made to correctly place your child within a classroom environment so that his/her learning and growth opportunities will be maximized. Equal consideration is given to each and every child's needs to find the best combination of students in each classroom. We believe that each and every one of our teachers is a wonderful, caring and committed educator. While it is strictly within the purview of the educators and administrators to make classroom assignments, we welcome any information about your child that you feel would be helpful in enabling us to make these decisions. We thank you in advance for your cooperation.

Any amount which is non-transferable shall be set aside and credited to the Tuition Assistance Program of Broward Central Synagogue.
